Construction Management & Documentation Prepared by :Joy Biswas
Jr. Instructor ( Civil Technology)

## Construction Planning P3

## Construction Cost and Estimation

Overview of the basic procedures for estimating general construction costs. Topics include the preparation of quantity surveys (take-offs) and the development of material, labor, and equipment costs, including pricing of contractor and subcontractor work from actual working drawings and specifications.

## Construction Cost and Estimation

Company: Devisional

PRICED BILL OF QUANTITIES
Package: Heating - Air conditionning

Cotuner by Estinate Nº, 1501
