Welcome in our town

Castle Hněvín

This castle is our heritage.

There is castle restaurant and view tower. We can see all town from this place.

The observatory is also located in the castle.

There are weddings and town celebrations.

(Natalie Durlejova)

New and old town

The old town was destroyed once, because there was coal under old town.

People moved to the new town. Castle (picture: left, upper) was spared.
